

Gaeilge – Rang A Trí

Hello everyone,

Just a quick note about the Irish activities here. In case there's anything you find difficult to complete or understand please don't worry about it. There's no pressure to get everything done or completed. Some of the things here we would usually go through in class before we'd ask you to try them so just give them a go and see how you get on.

If you would like any help or need to ask about anything there's no problem – just send me (or ask your parent to send me) a quick email at danganns3rd4thclass@gmail.com and I'll hopefully be able to help out.

Also, if you are having any trouble downloading the activities or would find it easier to have printed copies just get in touch and we can hopefully arrange something.

As always I hope you are all well and keeping safe.

Mr. Gannon.
